

Notes to Fee Schedule 2019

There has been a modest increase in fees and levies in 2019 due to the financial pressures associated with providing necessary staffing and resources. Some of the factors that determined an increase are:

- Significant changes to the curriculum for 2019 necessitating the purchase of resources.
- The increases in cost associated with the One to One Laptop Program
- Increase in the cost of fixed running expenses:
- Servicing and repayment of building and technology loans.
- Urgent building maintenance and infrastructure upgrades.

Recurrent Cost Levy:

Mary MacKillop College has an all-inclusive fee that incorporates charges for mandatory camps, excursions, computers, subject levies and classroom resources. In 2019 the levy will be charged over the four terms taking some pressure off payment of Term 1 fees and levies.

Sibling Discounts:

Family sibling discounts have been restructured as below:

2 nd student discount -	40% discount on Tuition Fees
3 rd student discount -	60% discount on Tuition Fees
4 th student discount -	80% discount on Tuition Fees
5 th & additional students discount	100% discount on Tuition Fees

Payment Instalment Plans (Direct Debit/Credit Card authority):

As from 2019, parents will have the option to complete a direct debit form or credit card authority for the life of the enrolment. This replaces the need to complete a new form each year. The updated direct debit form with changed terms and conditions is now available on the College website and via the Parent Portal.

To complete the direct debit request or credit card authority, select the frequency of payment, commencement date and number of instalments. The payment instalment plan will commence in February and must be completed annually by end of November. The commencement in February should coincide with your preferred payment cycle. The College Finance team will calculate the instalment amount each year, unless otherwise notified. The calculation will include the Voluntary Tax Deductible Building Fund – please make a note on the request form if you **do not** want to contribute to the Building Fund.

Forms should be submitted by 30th January 2019. Any queries regarding fees and payment instalment plans can be forwarded to finance@mmc.qld.edu.au
