Policy

At Mary MacKillop all students and staff have the right to a physically and emotionally safe environment. Our Student Behaviour Support Policy aligns with the Brisbane Catholic Education Support Policy Guidelines, Regulations and Procedures.

Rationale

Mary MacKillop College is committed to providing a diverse, flexible and caring learning community in the Catholic tradition. Within this holistic learning environment all students and staff embrace the dignity of the whole person, ensure equality of opportunities and engage in purposeful learning experiences. From this a love of learning is developed to continually acquire the skills and mindsets needed for a meaningful lifelong learning journey. Mary MacKillop College strives to be authentic in promoting the growth of inner integrity, outer justice and heartfelt compassion that is embodied in considered, intelligent and creative young women. This is achieved through the Catholic values exemplified by Saint Mary of the Cross MacKillop, where love and great trust in God’s grace and guidance is at the centre of our purpose.

The College’s behaviour management policy provides a framework for a happy, positive learning environment. The Mary MacKillop College community will use the Code of Behaviour and the five Rs as a basis for providing positive support to promote high standards of achievements and behaviour; and clearly articulated responses and consequences for inappropriate behaviour. The purpose of the five Rs is to ensure schooling reflects the expectations and acceptable behavior models of the real world. The five Rs are: resilience, responsibility, resourcefulness, regulation (self) and respectful relationships.

Student Code of Behaviour

The Code of Behaviour is a response to the Mary MacKillop College's vision of a safe school environment and is an expression of the pastoral dimension of the College. The Code of Behaviour endeavours to provide a framework upon which high quality interpersonal relations of care and support are experienced by all members of the College community. This exemplifies our College values of dignity of each person, equality of opportunity and great trust in God.

Our Mission Statement stresses the importance of self-discipline and self-motivation, and the importance of each individual in the school. This Code of Behaviour supports the College's discipline philosophy and aims to help students fulfil their responsibility as members of our school community. The key theme of the Code of Behaviour is respect.

REGULATION (SELF) & RESILIENCE

- Be concerned with your own education.
- Conduct yourself in a Christian manner at school and on school outings.
- Be neatly and correctly dressed.
- Care for your health.
- Reflect on your own behaviour and engagement.

RESPECTFUL RELATIONSHIPS

- Respect the rights of others.
- Be courteous to staff, and other students in word and deed.
- Co-operate with teachers and students.
- Speak and act respectfully at all times.
- Welcome visitors to the school.
- Welcome new students to the school.
- Do not cause injury by word or actions to other students in the school.

RESPONSIBILITY

Property and the environment

- Be proud of your school environment.
- Be proud of your personal space.
- Keep the school buildings and grounds tidy.
- Care for the furniture and fixtures in the buildings.
- Make your House Group area attractive and pleasant.

- Take care of and use correctly all school equipment.
- Use other students' property only with permission.
- Respect other peoples' belongings.

Concern for Safety

- Walk around the College buildings, on the stairs, on the verandas.
- Keep to the left when walking up or down stairs.
- Wear a hat and sunscreen when you are in the sun.
- Stay in the College grounds during College hours.
- Report the presence of any strangers to a teacher or the office quickly.

RESOURCEFULNESS - Respect for a productive learning atmosphere

- Accept responsibility for your own education. Be prepared to learn.
- Remember that every student has a right to learn.
- Listen without interruption when others (staff or students) are talking to you.
- Seek assistance when you need it.
- Work to the best of your ability in all lessons and complete set homework and assignments.
- Use the diary to organise study.
- Move quickly in an orderly quiet manner from room to room.
- Bring all the necessary books and equipment to every class.
- Be prepared and ready to start lessons on time.

At all times it is expected that behaviour be well-mannered, friendly and co-operative so that a true Christian Community can develop at Mary MacKillop College.

Classroom Leadership Strategies (universal supports to maximise learning)

Effective pedagogy to maximise learning, such as:

- **Threshold Procedures:** students line up outside classroom; teacher greets students as they enter
- **Entry & Exit Structures:** using first 3 and last 5 minutes effectively to set, engage and check learning intentions and success criteria
- **Purposeful Seating Arrangements:** designed for learning activities (flexible and dynamic)
- **Behaviour Questions:** developing and using consistent questions to ask regarding behaviour, such as What are doing? What is the impact? What should you be doing? What should happen now?
- **Student Planner:** use effectively to support learning. Subject teacher embeds diary usage into lesson planning; parents/carers to sign weekly; and House Group Teachers to check periodically.

These strategies are used to ensure a safe and supportive learning environment. They are proactive ways to set high expectations and clear boundaries. Some of these strategies may be suitable across the year levels. In 2019, these are expected classroom leadership strategies in Year 7 classes. Over the course of Semester 1, 2019 we welcome the opportunity to collaborate and develop these strategies further.

Behaviour Management Strategies in Response to Inappropriate Behaviours

Level 1: Behaviour Management of Inappropriate Behaviour Issues

Level 1 behaviour management of inappropriate behaviours are enacted by the classroom teacher, or teacher responsible for the activity.

Consequences are issued and supported by the teacher, then recorded in Engage (formerly Student Behaviour Support System – SBSS) to maintain a record that supports the student and the teacher.

- Teachers record incidents that require Level 1 behaviour support
- Ongoing behavioural issues should be communicated to parents
- Record classroom management strategies used to support and respond to student behaviour
- Record conversations with the student and family to keep a record of supports

Teacher Aides liaise with Classroom Teachers to identify behaviours and respond with consequences.

Regarding reporting on a student's conduct and application, teachers should accurately reflect ongoing behavioral issues that have been communicated to parents across the reporting period. For example, a student who has had multiple incidences should not receive a grade of A for application and conduct.

Behaviours	Responses
<ul style="list-style-type: none"> • Misuse of technology • Inappropriate behaviour in class • Disrupting learning • Non-submission of homework • Non-participation in school activities • Poor application and conduct 	<ul style="list-style-type: none"> • Reestablishment of expectations • Verbal warning • Written note in diary • Consequence determined by classroom teacher (detention) • Contact home by teacher • Inform appropriate ML • Record concerns on Engage (SBSS)

The AEIOU process below may support the classroom teacher in responding to inappropriate behaviour.

<p>Alert Name the inappropriate behaviour and redirect to appropriate behaviour.</p>	<p><i>Jane, according to our class rules calling out is appropriate and is disrupting the class. Ensure you put your hand up next time.</i></p>
<p>Engage Use behaviour management strategies to engage student in the right behaviour with language of learning.</p>	<p><i>Jane, we are working independently so that we can support a positive classroom environment for learning.</i></p>
<p>Issue Notice Take the student diary and place on your desk. This indicates student behaviour is still inappropriate in a non-verbal way. It is important to use verbal and non-verbal strategies to redirect behaviour.</p>	<p><i>Jane, you are continuing inappropriate behaviour if you continue to do this, you will receive a consequence.</i></p>
<p>Owning consequence: Issue students with appropriate consequence.</p>	<p><i>You have behaved inappropriately during this lesson. In accordance with our policy, you will be required to sit a (detention).</i></p>
<p>Update relevant people and systems Teacher to email parent and include HoD and HoH Teacher to log in Engage (SBSS)</p>	<p><i>Teacher required to email parents with template provided.</i></p>
