

Mary MacKillop College

Strategic Plan 2020-24

Strong Catholic Identity

We are a faith-filled including community, inspired by Saint Mary MacKillop, empowered to create a world of peace, justice and compassion.

- Sustain and enhance authentic, contemporary Catholic identity through an integrated approach to our lived mission.
- Grow the holistic and inclusive formation of staff and students.
- Embed contemporary Catholic perspectives in all learning areas.

Excellent learning and teaching

We are a community passionate about learning and teaching, committed to inspiring the growth and development of each learner.

- Grow engagement, progress, achieving and well-being of each student.
- Develop, nurture and embed collaboration.
- Appreciated each MacKillop Woman's story.
- Support parent engagement for learning.
- Adopt school-wide, consistent, high quality and effective pedagogies.
- Support the professional growth and well-being of each staff member.

Building a sustainable future

We are a collaborative, reflective community of learners who share responsibility for continuous improvement.

- Establish a culture of collaboration, reflective practice and co-responsibility.
 - Strengthen partnerships for the benefit of all members of the community.
 - Reflect and evaluate performance.
- We are stewards of God's creation; a community charged with ensuring a thriving ecological future.**
- Drive ecological action.
