Principal's foreword

The 2021 Annual Report presents information for reporting requirements and informs the wider community of our school's operations and achievements through the year. The report includes information on the school's profile, curriculum delivery, social climate, school funding, workforce composition and student performance.

Mary MacKillop College is a Catholic girls' school for students from Years 7 – 12. Established in 1964, we were formerly known as Mt St Joseph's College and Corpus Christi College. We are conveniently located in Nundah village.

MacKillop Women are educated to hope-filled, creative, justice-oriented people with wisdom and imagination; ingenuity and curiosity; a love of life and learning.

Our College is a great place to learn. We are a mid-sized school – big enough to offer diverse opportunities, small enough to ensure that each MacKillop woman is known and cared for, challenged and celebrated. Students and staff alike love being at Mary MacKillop College, where they are empowered to be people of purpose, achieving their potential.

Inspired by the life and spirit of Australia's first Saint, the young women of Mary MacKillop College learn what is to live principled lives – lives characterised by a passion for justice, deep integrity and compassion. A resolute commitment to honouring the dignity of each person is at the heart of education at Mary MacKillop College. MacKillop Women learn to embrace challenge, to persist, to grow in confidence, to love, to imagine, to dream, to discover, to create. MacKillop Women shine!

Our vision is grounded in our Motto: My Faith is My Light. We aspire to be an interconnected, joy filled, contemporary Catholic learning community, inspired by Josephite traditions to be people of purpose achieving our potential.

School progress towards its goals in 2021

The progress made on these priorities/goals

Priorities / Goals	What went well	Issues identified	Status
Vision, Mission, Values	In 2021, the College Vision, Mission & Values was synthesised and made public. During Professional Development Days and Staff Collaboratives, the staff of MMC had in put into the Vision, Mission, Values and Learner Dispositions for the College. How information and communication technologies are used to assist learning

Each MacKillop Woman receives the use of a high-functioning laptop device to engage in quality learning and teaching and promote higher-order thinking skills. Extensive use of Office 365, Microsoft Teams, SharePoint and OneNote is a feature of the comprehensive interactive and collaborative platforms utilised across the College and in the arena of online learning from home when required. Reliable Wi-Fi connectivity is available across all areas of the Campus and our IT Help Department responds efficiently to any issues.

Staff, Student and Parent Portals allow community members to engage in teaching, learning and partnership opportunities and the College commenced its social media presence via Instagram and Facebook to celebrate students' growth, development and achievements.

Social climate

Overview

MMC is a great place to learn. Students and staff have a strong sense of shared purpose. The College prioritises the holistic education of MacKillop Women with a focus on the academic, spiritual, social, cultural, sporting and moral development of students. We pride ourselves on the quality of pastoral care provided, both formally through our House Group structures and informally through our every-day

care of all students, with a commitment to forging positive relationships and climate for learning and embracing restorative practices when necessary.

Our pastoral care program incorporates a vertical system where students from Year 7-12 are in the same House Groups. Each House Group has a designated teacher who has responsibility for nurturing their group of students into the ethos of the College. Special care is given to Year 7 students *Becoming MacKillop Women* as they make the transition from primary to secondary school as seamless and successful as possible. Senior students lead the way as they orient and support younger students to ensure all MacKillop Women appreciate and practice our College's Vision, Mission and Values.

The pastoral care of House Groups is made complete by a network of support which includes Heads of House, Guidance Counsellor, Engagement & Connection Middle Leader, Differentiated Pedagogies Middle Leader and Pedagogies and Outcomes Middle Leader, along with the College Leadership Team and all academic staff and school officers, who work with parents and students themselves to provide an educational framework to harness the growth and development of each student.

Pro-active aspects of our pastoral care program include:

- Specifically designed well-being program for Years 7-12 – The MacKillop Way, using PB4L.
- Restorative practices with an emphasis on healing and reconciliation
- Parent seminars and presentations to support the holistic development of their daughter – e.g. Girl Shaped Flames.

The College also provides a range of other programs to maintain safe and supportive learning environments. This includes Student Leadership programs, Immersion Opportunities, Retreat Programs as well as Community Engagement events such as Father's Day Breakfast, Mothers' Day Breakfast.

Students are actively encouraged to share their array of gifts and talents and become fully involved in the life of the College, as well as exploring new areas of interest to challenge themselves and grow in their develop across sport, cultural pursuits, public speaking or various subject-related clubs available.

Family and community engagement

Mary MacKillop College values its partnership with parents and caregivers, and we continue to develop ways of fostering this relationship. With the pandemic changing so much, our engagement with families also changed. The College maintained excellent communication during the year, uploading videos for families to access, newsletters items, regular portal updates as well as hosting online events.

Our partnership has continued to evolve through:

- Enrolment Information Evenings, Open Day, Enrolment Interviews, our Orientation and Transition Program for Year 7 families
- Awards Ceremonies including the Celebration of Excellence
- Parent information evenings on various topics. These were held in 2021 as online forums
- Parent presentations on topics of interest such as parenting and resilience through a partnership with Girl Shaped Flames
- Sporting coaches and team managers
- Parent, Student, Teacher Conferences to discuss progress and achievement.
- Aboriginal family involvement increased with the employment of two Cultural Liaison Officers to led by our Tidda Girls
- Nundah ANZAC Day march and memorial service
- Mother's and Father's Day Breakfast
- College newsletter and Facebook page to share news and events
- Parent surveys
- Music concerts.

Description of how non-attendance is managed by the school

In line with our College Attendance Policy, we recognise that every day of attendance in school contributes towards a student learning and that maximising attendance enhances academic outset. For this reason, we follow up on non-attendance with students and support families following the College Guidelines:

- College Attendance Policy written in accordance with BCE guidelines and endorsed by the College community.
- A procedure document developed to support the tracking of non-attendance.
- Any student absent, without notification from a parent/caregiver, receives an automatic text message of non-attendance.
- Parents use the Parent Portal to notify the College of an absenteeism.
- House Group Teachers and Classroom academic staff follow up on the 3rd consecutive day if no notification has been received.
- Where required, support is put into place immediately via House Group teacher, Classroom academic staff, Head of House, Guidance Counsellor or Deputy Principal.
- This support is personalised and implemented in consultation with the student and the family.

Schools with fewer than 5 responses will not have a report available on the post-school destinations of Year 12 completers for reasons of confidentiality.

Early leavers information

Mary MacKillop College works closely with students and families to ensure MacKillop Women complete their secondary education successfully. In cases where students left early, valid reasons were ascertained via conversations between students, parents, Heads of House or a member of the College Leadership team. Parents indicated the main reason for going to another school were moving to another location in Brisbane, parent work circumstances or moving interstate.
