- Continue to strengthen partnerships with our parent community, local primary schools, as well our local neighbours in the community of Nundah, with BCE, our local feeder primary schools, other all girls' schools (Catholic and non-Catholic) as well as schools within our cluster. We will continue to develop the relationships with St Patrick's and Nudgee College through collaboration and partnerships in wellbeing programs.

Delivering thriving Catholic schools

- Commit to empowering students to access innovative learning and teaching practices and emerging technologies (e.g. AI)
- Commit to managing our finances and assets effectively for future planning for sustained use of all learning resources.
